RE: Access to Apollo

Please share with all of your staff that the District Office at Apollo will be closed for the July 4th extended weekend (July 1-4). In other words, there will be no access to the entire building (including the third floor), even to those with keys. The scheduled church services on Sunday (as part of our facility use services) will continue as planned, but access to any other part of the building will not be permitted.

Thanks for your assistance with this matter.
